Omega Moulding has released Lucia, a collection of four new mouldings with classic finishes and a new design based on a time-honored profile. Lucia is adapted from classic fluted mouldings using a variation on the classic Roman pattern; the fluting is spaced farther apart than traditional proportions, evoking an Asian influence seen in European furniture, accessories, art, and architecture during the 19th century.

## Larson-Juhl

Call: 800-221-4123

[www.larson-juhl.com](http://www.larson-juhl.com)

Larson-Juhl's new antimicrobial coated frame moulding line features four woodtone mouldings with furniture finishes, ideal for applications in healthcare settings. It features an Ultra-Fresh antimicrobial coating from Thomson Research Associates. Ultra-Fresh is applied during the manufacturing process to limit the growth of bacteria and fungi, adding a level of protection that helps extend longevity, integrity, and appearance. The antimicrobial treatment is available in four new finishes: Antique Cherry, Cherry, Amber, and Espresso.

## Michelangelo Moulding

Call: 877-422-8812

[www.michelangelomoulding.com](http://www.michelangelomoulding.com)

The new Beach Wash collection by Michelangelo unites a trendy avant-garde profile with three popular stained tones, creating the effect of wood washed by ocean waves. The frames will be on display for the first time at the West Coast Art & Frame Show in Las Vegas.

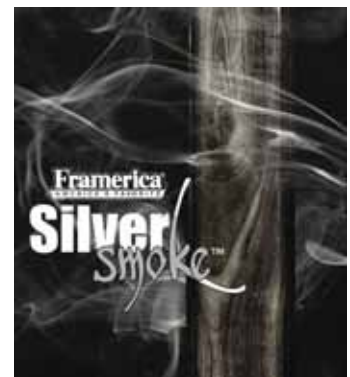

## Framerica

Call: 800-372-6422

[www.framerica.com](http://www.framerica.com)

Smoked Gloss is the first in a series of gloss wood furniture finishes being offered by Framerica. Its silver "smoked" cherry grain adds new flavor to traditional gloss mouldings. Silver Smoke is now available in profiles ranging from 1" to 3" wide.
