Call: (805) 563-5444

Lynn Haney Collection

“Starry Night Santa” is just one of the magnificent collectible Santa and Father Christmas characters created exclusively by Lynn Haney. Each piece is hand sculpted from clay and made into a mold from which a wood resin cast is made. Each figure is hand painted; beards and wigs are made from mohair; costumes are hand sewn. Great care and attention is given to each individual piece.

Circle RSC #362

Call: (800) 762-4007

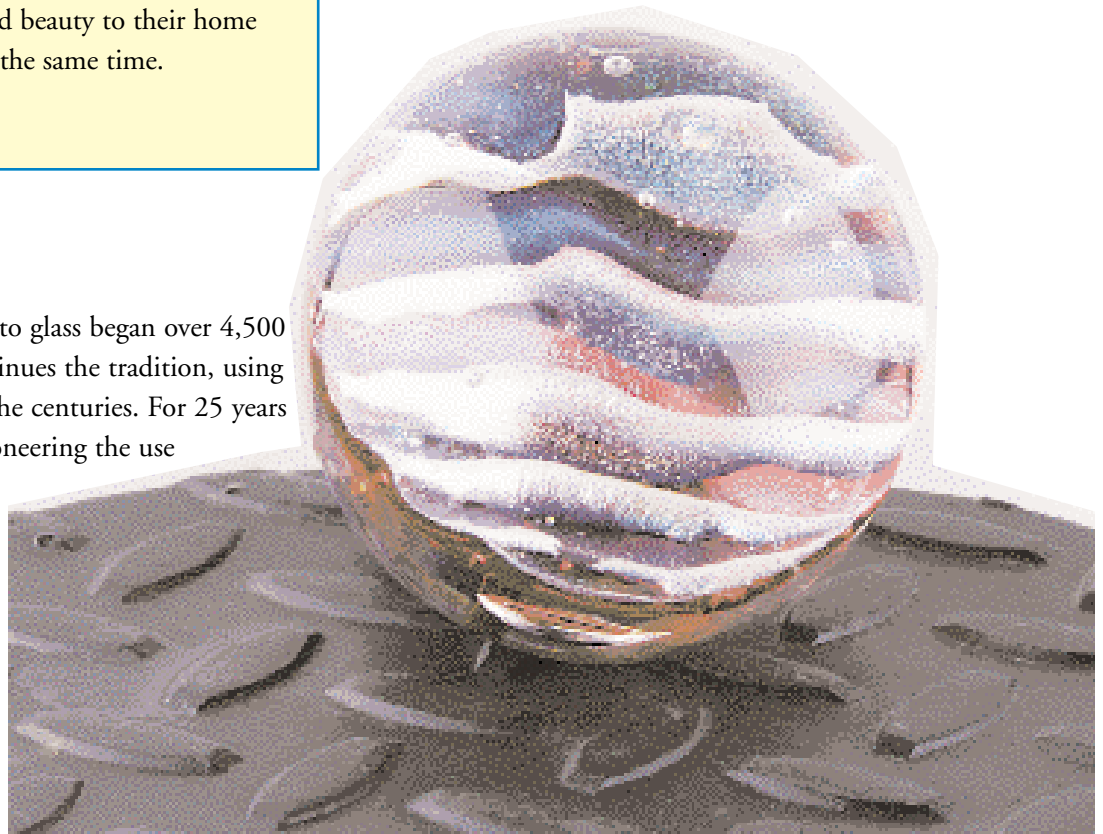

Sherburne Glass Studio

The art of transforming sand into glass began over 4,500 years ago. Sherburne Slack continues the tradition, using techniques developed through the centuries. For 25 years he has honed his glass skills, pioneering the use of dichroic glass, a modern invention that allows glass to refract light like a peacock feather. Handmade paper-weight shown here.
